

FREE

Scan visitor badges on your booth

Throughout the event, from your profile (mobile app) or your exhibitor space (web), you can download a personalised report of your leads in Excel format, with contact details for each contact.

Download the KeepTrack application free of charge

 **App Store**

The KeepTrack app is available by scanning the QR Code or by [clicking here](#).

 **Google Play**

The KeepTrack app is available by scanning the QR Code or by [clicking here](#).

If you have already used our application at a previous event or another show, remember to update it and reconnect to the correct session.

How it works ?

<p>1</p> <p>Open the KeepTrack app</p> 	<p>2</p> <p>Scan your customer's badge</p> <p>On the application, click on the camera icon.</p>	<p>3</p> <p>Find your contact details</p> <p>On the application, click on "Networking".</p>	<p>4</p> <p>Export your contact list</p> <p>On the application, click on "Receive the list of leads".</p>
